

# What is a Mission Group? What is a Program Group?

The Vestry/Bishop's Committee of each church or mission selects one lay person and one active clergy person to serve on the Mission Group to which the congregation has been assigned. Each Mission Group assists the mission it is assigned to.

- **East Central Mission**
- **North Mission**
- **South Mission**
- **West Central Mission**

Each Vestry/Bishop's Committee selects one or more Program Groups, each of which the congregation will provide one participant and cover any expenses if necessary. Each active clergy person is to select one Program Group in which to participate.
