

A Poem Megan wrote

We love because it's the only true Adventure

Someone told me love is
Friendship on fire
There's only one word to describe love:
Adventure

It can be at first sight
It can be the first night
Love can take long or to your wildest
Dreams

The minute you gaze into their eyes
You feel the shock of emotion
You lean in for the risk to embrace a
Kiss

Love is a decision, a journey
Love is fun and games
Love makes the world spin
Love is an adventure.
